

UBS-100

Solderless Breadboard, 840 Tie-Points

Solderless Breadboards

Nickel plated phosphor bronze contacts

ABS plastic

Overview:

The UBS-100 is Global Specialties largest single breadboard. The UBS-100 offers multiple bus strips and a large socket area with 840 tie-points. A permanent molded-in tie-point numbering system allows the user to see at a glance where to tie wires and add connections. Each socket is made of durable high impact plastic and nickel plated phosphor bronze contacts for the highest quality circuit connections. The UBS-100 comes with a heavy-duty Mylar backing to prevent short circuits.
