

**Ethernet Switch**  
**Ha-VIS eCon 4080-B1**  
 8-port Ethernet Switch for flat wall mounting

Unmanaged	IP40	PROFINET compatible <input checked="" type="checkbox"/>	EtherNet/IP compatible <input checked="" type="checkbox"/>
-----------	------	---	--

Number of ports, Copper / Termination	8x 10/100Base-T(X) / M12 D-coding
Input voltage / Termination	24 / 48 V DC / M12 A-coding, male, for redundant power supply
Permissible range (min./max.)	12 V ... 60 V DC
Input current	approx. 150 mA (at 24 V DC)
Housing material	metal, powder-coated
Dimensions (W x H x D)	130 x 166 x 50 mm (without connectors)
Weight	approx. 0.85 kg
Working temperature	-40 °C ... +70 °C
Approvals	e1
MTBF	1.544.000 h

Identification	Part number	Drawing	Dimensions in mm
