- Keeps your personal or confidential information safe from prying eyes

- You'll see the information on your display while people on either side only see a darkened screen

- Custom fit to your Apple® iMac® 27-inch

- The filter application system features an optically clear adhesive designed specifically for display screens. Testing proves that, when kept clean, the filter can be repositioned hundreds of times.

- Reversible, matte side reduces glare and reflections

- Lightweight, thin, frameless design

- Protects display from dirt, debris and scratches

- Cleans easily with a soft cloth and water

- Great for high traffic areas such as airports, airplanes, commuter trains, coffee shops and other public places

- Limited 1-year warranty
