Open Frame Wall Rack *RB-2PW Series*

Up to 200 lbs|91 kg Weight Capacity

RACK BASICS®

Features

- The rails are constructed in 12-gauge steel while the body is constructed in 14-gauge steel.
- EIA compliant 10-32 tapped rails with 19" mounting and rack unit indicators.
- Provides 18 inches of usable depth.
 - Optional **RB-2PW-EXT** extender can be used to add up to 7" of usable mounting depth while maintaining the load capacity.
- Open-rear design can be installed over existing equipment.
- Finished in smooth black powder paint.
- Knockdown design ships unassembled for easy handling and shipping protection.
- Includes starter pack of mounting hardware. (25-pack of 10-32 screws)
- Tested up to nearly double the suggested load rating of 200 lbs (90.72 kg).
- TAA Compliant.
- RoHS Compliant.
- Manufactured in North America.

Need a different height? Purchase our 8U version and the desired height of our **URR Rack Rails** (Add 4U to the desired height). Note we only approve the weight capacity up to 20U.
