## Base Data

**Local Order Number** 556-00257

**Type** 2TT130SMCKIT

**Color** Black (BK)

- Features and Benefits**
- Compact, lightweight design saves space and is easy to transport.
  - Integrated cutter cuts continuous media to any length.
  - Designed to work with TagPrint® Pro label design software for ultimate label printing capabilities.

**Product Description** Designed for high volume, industrial grade printing, HellermannTyton's TT130SMC thermal transfer printer is made of durable materials for long life in a variety of applications and environments. The compact, portable design makes it ideal for transporting to work sites. HellermannTyton thermal transfer printers work flawlessly with HellermannTyton TagPrint® Pro label printing software to create customized labels. An integrated cutter cuts continuous label media and an optional caddy holds larger label stock reels to allow higher capacity printing.

**Short Description** Thermal Transfer 2-Printer Kit with Cutter, 2 Black and White Ribbon, Tagprint Pro 3.0 Software, Caddy, Hard Shell Case, Black, 1/Pkg
