Yes

| Material - Metal                                   | Brass                          |
|--|--------------------------------|
| Material - Plating Mating                          | Tin                            |
| Material - Plating Termination                     | Tin                            |
| Material - Resin                                   | High Temperature Thermoplastic |
| Net Weight   | 4.245/g                        |
| Number of Rows                                     | 1                              |
| Orientation  | Right Angle                    |
| PC Tail Length                                     | 3.81mm                         |
| PCB Locator  | Yes                            |
| PCB Retention                                      | N/A                            |
| PCB Thickness - Recommended                        | 1.60mm                         |
| Packaging Type                                     | Tray                           |
| Pitch - Mating Interface                           | 7.50mm                         |
| Pitch - Termination Interface                      | 7.50mm                         |
| Plating min - Mating                               | 0.889µm                        |
| Plating min - Termination                          | 0.889µm                        |
| Polarized to Mating Part                           | Yes                            |
| Polarized to PCB                                   | Yes                            |
| Shrouded   | Fully                          |
| Stackable  | No                             |
| Surface Mount Compatible (SMC)                     | No                             |
| Temperature Range - Operating                      | -40°C to +75°C                 |
| Termination Interface: Style                       | Through Hole                   |
| Electrical   |                                |
|  | 18A                            |
| Current - Maximum per Contact<br>Voltage - Maximum | 600V                           |
| Voltage - Maximum                                  | 800 V                          |
| Solder Process Data                                |                                |
| Duration at Max. Process Temperature (seconds)     | 5                              |
| Lead-free Process Capability                       | Wave Capable (TH only)         |
| Max. Cycles at Max. Process Temperature            | 1                              |
| Process Temperature max. C                         | 235                            |
| Material Info                                      |                                |
|  |                                |
| Reference - Drawing Numbers                        |                                |
| Product Specification                              | PSX-44441-9999                 |
| Sales Drawing                                      | SDA-43160-****                 |
|  |                                |
