 Text Search: 'QPPDCBAB10'

Your search criteria matched only one product, shown below

## QPPDCBAB10

- Facilitate quick and easy connection and disconnection of multiple patch cords, simultaneously to a variety of switches, reducing time and cost associated when installing and maintaining structured cabling links
- Exceed TIA/EIA568-B.2 Category 5e and ISO11801 Class D standards
- Constructed of Category 5e, 24 AWG UTP stranded cable and *Pan-Plug*® Modular Plugs; plug contacts plated with 50 micro inches of gold for superior performance
- Plug meets all applicable FCC part 68 Subpart F requirements and exceeds IEC 60603 -7 specifications
- Each patch cord is 100% performance tested and wired T568A
- Third party tested to Category 5e component compliance
- Integrated finger latch enables quick, one -handed installation and removal from switch
- Low profile design allows assemblies to be installed side by side or stacked on top of each other providing maximum port density in high density installations
- Marker ties enable easy identification in high density installations and provides an additional level of security when used with optional lock out device
- Labels on patch cords provide identification of performance level, length and quality control number
- Optional removal tool (QPPRT) facilitates removal of individual cable links without disrupting service to other network connections
- Optional lock in device (QPPLD6 -X) prevents unauthorized removal of patch cords from the switch for an additional level of security
- Cable available in blue or white; plug packs available in blue or white
