Text Search: 'QPPEBDW2M'

Your search criteria matched only one product, shown below

**QPPEBDW2M**

- Facilitate quick and easy connection and disconnection of multiple patch cords, simultaneously to a variety of switches, reducing time and cost associated when installing and maintaining structured cabling links
- Exceed requirements of ANSI/TIA-568-C.2 Category 6A, IEEE 802.3an-2006, and ISO 11801 Class E<sub>A</sub> channel standards
- Exceed requirements of ANSI/TIA-568-C.2 Category 6A and IEC 61156-5 Category 6A component standards
- Constructed for Category 6A, 24 AWG solid shielded cable and TX6™ PLUS Modular Plugs
- Plug meets all applicable ANSI/TIA-968-A requirements and exceeds IEC 60603-7 specifications
- Meet requirements of IEEE 802.3af and IEEE 802.3at for PoE applications
- Each patch cord is 100% performance tested and wired T568B
- Third party tested to Category 6A component compliance
- Integrated finger latch design enables quick, one-handed installation and removal from switch
- Low profile design allows assemblies to be installed side by side or stacked on top of each other providing maximum port density in high density installations
- Marker ties enable easy identification in high density installations and provides additional level of security when used with optional lock out device
- Labels on patch cords provide identification of performance level, length and quality control number
- Optional removal tool (QPVRT) facilitates removal of individual cable links without disrupting service to other network connections
- Optional lock in device (QPPLD6-X or QPPLD8-X) prevents unauthorized removal of patch cords from the switch for an additional level of security
- Cable available in blue or white; plug packs available in blue or white

• Part Number	QPPEBDW2M
• RoHS Compliancy Status	RoHS directive is not applicable
• Note	Intended for use in fixed installations which are outside the scope of RoHS
• Part Description	QuickNet® Plug Pack Cable Assembly made with Category 6A, DR blue cable with a 8-pack white plug pack on one end and modular plugs on the other end.
• Product Type	Plug Pack Cable Assembly
• Color	White Plug Pack
• Length (ft.)	6.56
• Length (m)	2
• Cable Color	Blue
• Cable Type	STP
• CE Compliant	No
• Flammability Rating	DR
• Performance Level	Category 6A
• Pricing Description	QN Plug Pack Assembly, 8 Pack, Blue Cat 6A STP DR Cable w/White Plug Pack, 2m
• Termination End 1	Modular Plugs
• Termination End 2	Plug Pack with Modular Plugs
• Min. Order UOM	PC
• Min. Order Qty.	1
• BOM Qty. (# of Pkgs.)	<input type="text" value="0"/>
• Add to Favorite Product List	<input type="checkbox"/>
