

# Product Change Notification

## TE Connectivity

Product Change Notification: P-16-013898

PCN Date: 30-NOV-16

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:  
MQS PREFORM STRIP, SOCKET, 2 POINT

Description of Changes  
Dear Customer, we hereby inform you about a new process equipment of a plating process for the component part number 1394704-2.

Reason for Changes:  
Customer Request. To ensure the quality level as well as the supply also in future we would like to inform you with this PCN about new process equipment at our TE manufacturing location in Dinkelsbuehl (D). This new process equipment will be performed on the plating-process for parts on component level as well as for finished goods. As the new process equipment will be technical equivalent to the existing one(s), the process validation-, capability analysis and release will be done TE internal. Therefore this PCN is for your notification only. If you would like to review the planned scenario please contact your Sales/Marketing representative.
