HV8P DRAWER

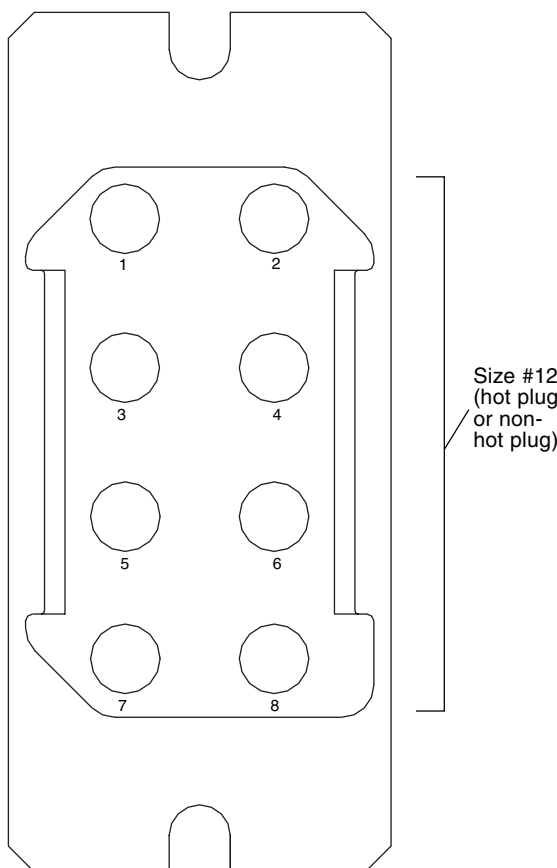

PIN ASSEMBLY

1. Enter the quantity of each pin contact you require in the **Qty** column of the **Pin Contact Selection Menu** table.
2. **For the contacts you want Elcon to install**, enter the reference letter of the desired pin contact in the appropriate contact position on the drawing; e.g., if you need a size #12 premate PCB tail contact to be installed in contact position #8, write "H" in circle #8.
3. Sign, date and fax the completed form to Elcon at the appropriate fax number for your location (see the bottom of the page).
