

## 1-Port USB Wall/Travel Charger with Quick Charge 3.0 - Class A 5/9/12V DC Out, 18W

MODEL NUMBER: U280-W01-QC3-1

Travel-sized wall charger with Quick Charge 3.0 USB-A port can charge connected devices up to 4x faster than a standard USB charger.

### Features

**1-Port USB Wall Charger Gets Your Mobile Device up to Capacity Wherever You Are** This single-port USB wall charger with Quick Charge 3.0 technology lets you quickly and safely charge your USB-A mobile device. Plug it into any NEMA 1-15R, NEMA 5-15R or NEMA 5-15/20R AC outlet to ensure your smartphone, tablet, digital camera, e-reader, MP3 player or other USB-A device receives a satisfactory battery charge.

**Charges Quick Charge 3.0-Compatible Devices up to 4 Times Faster than Standard Chargers** The USB-A port supports Quick Charge 3.0 Class A 5/9/12V technology. Instead of charging at a preset power level, the U280-W01-QC3-1 adjusts to provide as much power as your QC 3.0-compliant device's battery can handle. Available outputs include 6–6.5V/3A, 5–9V/2A and 9–12V/1.5A, which can charge your device up to four times faster than traditional USB wall chargers. A multi-colored LED indicates which charge level your connected device is drawing.

**Built-In Auto-Sensing Adjusts to Proper Power Level to Get Your Device to 100%** The USB-A port features auto-sensing technology that detects when a non-Quick Charge device is connected. It then automatically adjusts to the appropriate power level up to 5V/2.4A, perfect for fast-charging tablets and e-readers. The unit protects against overheating, overcurrent and overcharging—in fact, it stops charging as soon as your devices' batteries are at full capacity.

**Folding Plug Design Perfectly Sized for Travel** The compact USB travel charger, small enough to fit in the palm of your hand, is easy to carry in your purse, suitcase, backpack or laptop bag. The NEMA 1-15P plug folds into the unit when not in use to shield it from damage and prevent it from snagging or scratching your bag's contents.

### Highlights
